**ABOUT THE
FORT MACLEOD
TRIATHLON**

WHERE IT ALL BEGAN

The Fort Macleod Chiropractic Triathlon was founded by Dr. Alan and Lorraine Poytress, along with their family. For the past 20 years, the Poytress Family has dedicated themselves to organizing this event, making it a special tradition for the community. Dr. Alan, an experienced triathlete, wanted to share his passion for the sport and create an opportunity for the community to come together, take on a challenge, and experience the incredible sense of accomplishment that comes with crossing the finish line.

From the beginning, the goal was to keep this a family-friendly event, where athletes of all ages could participate, compete, and celebrate their achievements together with every finisher receiving a well-earned medal!

**WHERE WE'RE
GOING NEXT**

This year, with the support of Dr. Poytress, Lorraine, their family, and fellow athletes, we have formed a committee to ensure the tradition continues. As one of the last remaining triathlons in Southern Alberta, we are committed to keeping this event alive and thriving.

For 2025, we are excited to offer four race distances as well as team competitions: Youth, Super sprint, Sprint, & Olympic. We look forward to welcoming athletes, families, and supporters for another unforgettable race day!
